

Quorum was not met therefore no approvals were made

Approval of minutes postponed to next mtg.

Principal's Report

- grade 8 day, over 800 students came in. Grade 9s were out for "Take your Kid to Work" day, 85% participation
- grade 8 info night Dec. 5 for students and parents
- next yr's course calendar being created now
- \$17 000 spent in robotics (vex) for computer engineering program
- Nov. 23 PA day, focus on math and ELL
- encourage students to attend last day before breaks (xmas, march break)
- High Performance Athletes Program – how can we support their academics along with their sports commitments

Vice Principal's Report

- engaging with the community was a priority highlighted by council last year. Idea: story walk in forest with grades 1-3, youth symposium with keynote speaker and professional services represented at tables (innisdale to try it in May for mental awareness week)
- looking for sponsors for awards at commencement
- school goal: looking to "personalize" math to specific courses (PA day agenda item)
- Character Ed awards will be given to selected students (chosen by their teachers) 3x/yr. Rewarded with a breakfast with admin

Teacher Report

-will bring back to mtgs some specific “great” things that are happening in class

Mtg adjourned at approx. 7 pm

Global Perspectives Program presentation led by Matt Torlee and students followed.
