<b>Debate Team</b>	On the weekend, 12 members of Innisdale's debate team competed in the online Ottawa Classic debate tournament against students from across Canada. Our debaters did Innisdale proud, with five of our six teams making the playoffs. Even more impressive, Leanna He and Lizzy Partington competed in the novice finals, and Lucas Smith and Scar Grewal competed in the open finals. An extra congratulations to Lucas and Scar, who won awards for being among the top speakers in the tournament. This weekend, our debaters are competing in an international online tournament hosted by Berkeley High School in California. Good luck debaters!
