

# INNISDALE SECONDARY SCHOOL NEWSLETTER

Dear Innisdale Families,

I hope this message finds you well as we begin a new semester at Innisdale!

The start of a new semester is an opportunity for us to set new goals, embrace new challenges, and make the most of the opportunities that lie ahead. Whether you are a returning student or joining us for the first time, I want you to know that we are here to support you every step of the way.

At Innisdale, we strive to create an inclusive and supportive environment where every student feels valued and empowered to reach their goals. I want to take this opportunity to remind you of the importance of open communication between home and school. Your involvement and support play a crucial role in your child's education. I encourage you to stay connected with us through our various communication channels, including our website, newsletters, and parent/guardian teacher interviews (March 21<sup>st</sup>). I also invite you all to attend our next School Council meeting on Feb. 5<sup>th</sup> at 6:00pm!

Lastly, I would like to express my gratitude to our dedicated teachers and staff who have worked tirelessly to prepare for the start of this semester. Their commitment to providing a positive learning environment is truly commendable.

Thank you for your continued support. I am confident that together, we will make this semester a memorable and successful one.

Warm regards,

*Julie Rennison*

## **Celebrating Black History Month:**

We are excited to be celebrating Black History Month here at Innisdale throughout the month of February. This year we are happy to welcome several special guests to our school. These guests include a drumming session from the folks of Adinkra Farm, a local Afrocentric Community Building Organization; Shanicka "Shak" Edwards from Shak's World, a local not for profit that supports mentorship and community engagement through sport; and writer, politician and current Chancellor of the University of Guelph Mary Anne Chambers, who will be here to speak with our grade 11 and 12 students. In addition to these guests, a group of our students will be traveling to Georgian College to experience a presentation of "The Lost Heroes of Oro," a theatre production, written and directed by Alinka Angelova, a local playwright and past student of Innisdale. Alinka discovered her love for the arts while participating in related courses while at Innisdale. Throughout the month, our announcement team will deliver daily messages celebrating the achievements of Black Canadians. Our students will also participate in a Student Voice Whole School Virtual Assembly, where students will share their talents, lived experiences and info about "Black History in Canada" with the entire Innisdale student body.

**Our E-store** is open for a limited time. Order your Innisdale clothing now. There are hoodies, track pants, dry-fit polo shirts and much more. Check out the link below. Orders and payments are done online. Items will be delivered to Innisdale in March. If you have any questions, please email Nadia Broley at [nbroley@scdsb.on.ca](mailto:nbroley@scdsb.on.ca).

## Days of Awareness 2023-24

As you prepare your school's newsletter package, please review the Days of Awareness (NM1) [www.scdsb.on.ca/about/equity\\_and\\_inclusion](http://www.scdsb.on.ca/about/equity_and_inclusion). Please include what is relevant to your school community in your February newsletter package.

## February PA Day

Please note that Friday, Feb. 2 is a PA Day for secondary SCDSB students. Please refer to the 2023-24 School Year Calendar on the SCDSB website for more information: [www.scdsb.on.ca/elementary/planning\\_for\\_school/school\\_year\\_calendar](http://www.scdsb.on.ca/elementary/planning_for_school/school_year_calendar).

Below is a summary of the activities planned for the Feb. 2 PA Day:

**Length:** Full day

**Topic:** Evaluation and reporting

**Host:** Simcoe County District School Board

**Presenter(s)/facilitator(s):** Not applicable

Educators will be working to complete the first provincial report card which will reflect students' achievement of curriculum expectations introduced and developed in semester one from September to January/February of the school year, as well as students' development of the learning skills and work habits during that period. This process includes both evaluation and reporting.

Secondary report cards will go home to parents/guardians on Friday, Feb. 16, 2024.

## Communication to families regarding inclement weather days

*Please note that APM A3020 – Inclement Weather, 3.1.2 states that "parents/guardians are to be reminded, in writing at appropriate times (October and January) each school year, that it is their responsibility to decide whether or not it is safe for their child(ren) to leave for school under severe weather conditions."*

### Inclement weather and bus cancellation information reminder

All information regarding cancelled buses in Simcoe County is posted on the Simcoe County Student Transportation Consortium (SCSTC)'s bus information website at [www.simcoecountyschoolbus.ca/](http://www.simcoecountyschoolbus.ca/). Our school is in the **Central** zone. When buses are cancelled, schools remain open for student learning, unless otherwise noted. School staff are expected to plan for such emergencies in order to transition students who are unable to attend due to inclement weather, to their online platforms (Google Classroom and/or SCDSBhub [Brightspace by D2L]) and continue with academic programming. It is always a family decision whether or not it is safe for their child(ren) to leave for school under severe weather conditions.

The Consortium and bus operators try to make the decision to cancel school buses before 6 a.m. and make every effort to post announcements before 7 a.m. Inclement weather cancellations are effective for the whole day and buses cancelled in the morning will not run at the end of the day. You can follow the Consortium on Twitter [@SCSTC\\_SchoolBus](https://twitter.com/SCSTC_SchoolBus) for bus cancellations and other information. You can also subscribe to receive bus delay notifications here: <https://scstc.ca/Subscriptions/Login.aspx>.

## **Black History Month**

The Simcoe County District School Board (SCDSB) recognizes and celebrates Black History Month every February. The SCDSB is committed to improving equity of access, positive identity affirming experiences and opportunities for Black students, staff, and parents/guardians, and to creating a safe and caring learning environment that promotes the human rights of students, staff, and parent/guardians. The initiatives undertaken by the SCDSB have been embedded in teaching and learning at all school levels, and centrally, for Black History Month and throughout the year. Follow the SCDSB on social media to see how schools are recognizing Black History Month and celebrating Black excellence.

## **Parents' Guide to Assessment, Evaluation and Reporting**

Learn to navigate the world of assessment, evaluation, and reporting with this new guide for parents/guardians. Created to support parents'/guardians' understanding of assessment, this guide was designed to effectively empower you to actively engage in your child's educational journey. ## **EarlyON Child and Family Centres**

The foundation for lifelong learning and health is built in the early years. EarlyON Child and Family Centres across Simcoe County offer programs for children prenatal to six years of age and their parents/guardians and caregivers. They offer access to play- and inquiry-based learning supported by *How Does Learning Happen?* Ontario's pedagogy for the early years, information on child development and developmental screening including Early Referral Identification Kits (ERIK), parent/guardian education, referrals to community resources, nutrition information, and post-natal resources. Check with your local EarlyON provider: <https://linktr.ee/earlyonsimcoe>.

## **How is your infant, toddler, or preschool child developing?**

Is your child meeting their milestones? Age-appropriate speech and language skills are critical to your child's ability to read, write, and be successful in school as well as to their ability to engage with their

peers. Free services are available to support you with your child's development. Preschool speech and language programs are located across the County of Simcoe. Call 705-739-5696 or 1-800-675-1979 to complete a developmental screen. The earlier we work together the better!

## **Child care programs available on PA days, holidays, and March Break**

Child care programs for children in Kindergarten to Grade 6 are provided by independent, third-party child care operators in some SCDSB schools. To support your child care needs, some operators offer child care on PA days and holidays, including over the March Break (March 11 to 15). Registration in advance is required. Please contact the child care operator directly to discuss fees and to register. For more information and contact numbers, please

visit: [https://www.scdsb.on.ca/elementary/planning\\_for\\_school/childcare\\_before\\_after](https://www.scdsb.on.ca/elementary/planning_for_school/childcare_before_after).

## **Join us! A learning series for parents/guardians with Pine River Institute**

Mental health and well-being continues to be a key strategic priority within the SCDSB. We are pleased to continue our partnership with the Centre for Family Initiatives at Pine River Institute (CFI@PRI) to provide several curated learning sessions focused on student mental health and well-being to SCDSB families.

There are eight webinars specifically planned for parents/guardians and other caregivers during this school year. The remaining webinars are:

Feb. 8, 2024	Self regulation for kids
Feb. 22, 2024	Self regulation for teens
March 28, 2024	Building parents' resiliency
April 18, 2024	Vaping, weed, and alcohol

We hope you save these dates in your calendar and join us for these learning opportunities. For more information and to register, please visit the SCDSB website: <https://bit.ly/3jGaC74>.

Pine River Institute is a live-in treatment centre and outdoor leadership experience for youth aged 13 to 19 struggling with addictive behaviours and often other mental health issues. Combining therapy with a fully-accredited education program, PRI reinforces the healthy life skills required for a successful future. CFI@PRI extends PRI's knowledge, experience and evidence-informed treatment approach to families and care providers in the community to support youth mental wellness and prevent the need for more intensive interventions. Learn more about PRI by visiting their website at [www.pineriverinstitute.com](http://www.pineriverinstitute.com).

## **Interested in learning more about the ways that the SCDSB supports students with special education needs and their families? Join us for a virtual special education information series**

During the 2023-24 school year, the Simcoe County District School Board (SCDSB) is hosting virtual special education outreach sessions to assist parents/guardians in learning more about programs, supports, and ways that we work together to support students with special education needs.

## **Reminder: Absence reporting system for SCDSB schools – call 1-888-885-8065 to report an absence**

This school year, the Simcoe County District School Board (SCDSB) implemented a new absence reporting system at secondary schools. This system supports us in continuing to improve our home-to-school communication process and streamlines absence reporting. **To report a student absence, call 1-888-885-8065.** Callers will be prompted to identify the school before leaving a message. Parents/guardians should include the student's name, teachers' name, dates, and reason for the absence. If you have questions about the system, please contact the school office.

## **School playground structures are closed for the winter**

Every winter, school playground structures are closed. Students are made aware of this during school hours through announcements and staff reminders during breaks. This may not be well known throughout the community, despite signs indicating that playground structures are a winter hazard and are closed. The Canadian Standards Association regulations make recommendations for the depth of ground cover required to minimize injuries (e.g., sand, pea gravel, or wood chips). These surfaces cannot be maintained when the ground freezes. Injuries from falling would be more significant on frozen ground. We strongly recommend that you do not allow your children to play on any structures while the ground is frozen.

## **New Math at Home online resource for families**

The Simcoe County District School Board (SCDSB) Math team is excited to launch Math at Home, an online resource for parents/caregivers of SCDSB students from ages 0-16. Math at Home provides the following information and resources to support math learning:

- Math games to play at home
- Links to digital math games
- Practice opportunities
- Real world math connections
- Math mindset

Math at Home will be updated monthly to include new math games, problems, and number talks. Visit [www.scdsb.on.ca/MathAtHome](http://www.scdsb.on.ca/MathAtHome) to begin supporting your child's math learning at home!

## **Math @Home parent and caregiver series**

It's back! The SCDSB math team is pleased to offer three virtual sessions for parents and caregivers of SCDSB students. These sessions will focus on practical and fun ways to support children with their mathematics learning and engagement at home. The first 200 registrants will receive a Math @Home kit of resources to use at home. Participants must pre-register for each of the sessions.

### **Exploring the new SCDSB family math resources**

Tuesday, Feb. 6, 2024, 7 to 8 p.m.

This session is for parents and caregivers. Join members of the SCDSB math team for a guided exploration of the new

SCDSB family math resources. Participants will have the opportunity to explore the resources that are available to support their child's math learning at home. The guided portion of the session will be 45 minutes in length. During the final 15 minutes, the math team will be available to answer questions about the resources available.

### **Tips for engaging in math conversations with your child @Home**

Wednesday, Feb. 28, 2024, 7 to 8 p.m.

This session is for parents and caregivers and will explore opportunities to discuss math with their child(ren) at home. Participants will learn about how events such as shopping, preparing food, engaging in a building project, or going for a walk can be used as a starting point for math conversations, and will receive prompts to get the discussion rolling. The guided portion of the session will be 45 minutes in length. During the final 15 minutes, the math team will be available to answer questions about the session.

### **Games to support your child's math learning @Home**

Thursday, April 4, 2024, 7 to 8 p.m.

This session is for parents, caregivers, and their children. Playing games at home is a great way to

# Innisdale News

support child(ren)'s math development. In this session, several games will be explored, and participants will have the opportunity to try the games with their children during the session. The guided portion of the session will be 45 minutes in length followed by 15 additional minutes for further game play or to ask questions of our math facilitators. Bring your child(ren) and your math kit to this session!

Participants must pre-register for the sessions they wish to attend. Registered participants will receive a kit of hands-on resources that will be sent to the school indicated on the registration form. Use this link to register: <https://bit.ly/24MathAtHome>.

## **Developing fluency through repeated reading**

Fluency, the ability to read smoothly, accurately, and with expression, is a fundamental skill that significantly impacts a child's overall reading proficiency. When children read fluently, they can focus more on comprehension, understanding the meaning behind the words, rather than struggling with decoding.

Repeated reading is a highly effective strategy that involves a child reading the same text multiple times. This method aims to enhance fluency, comprehension, and overall reading proficiency. By revisiting a text, readers become more familiar with the words and structure, leading to increased speed and accuracy. Additionally, repeated reading allows children to focus on expression and intonation, promoting a more natural and engaging reading style. This approach is particularly beneficial for struggling readers, as it builds confidence and reinforces word recognition. As parents/guardians, incorporating repeated reading into your child's routine not only reinforces the joy of reading but also cultivates a strong foundation for improved fluency and comprehension skills over time.

## **Mental health strategy of the month - *Just Breathe***

Well-being is a Strategic Priority in the Simcoe County District School Board, and our mental health and well-being department provides monthly strategies to support student and family well-being.

This month's strategy is *Just Breathe*. The purpose of this strategy is to help students develop a mind/body connection, self-regulation, awareness of emotions, and resiliency by practising deep breathing.

To practice *Just Breathe* at home, follow these steps:

- Place your hands flat on your stomach or pay attention to your stomach.
- As you breathe deeply in through your nose, send this breath all the way to your stomach.
- Feel your stomach expand and your hands move out.
- Breathe out. Feel your stomach contract and your hands move in.
- Repeat 5-6 times.

Practice deep belly breathing any time you feel stressed or upset. Find more information to support your child's mental health here: <https://smho-smso.ca/parents-and-caregivers/>.

Follow the Mental Health and Well-being social media accounts (@SCDSB\_MHWP) to see how well-being is being supported in our schools.

## **Online luring and grooming**

As part of our shared commitment to educating our students about digital citizenship and cyber awareness, this month we are highlighting online luring and grooming. The following info sheet has been created by the Educational Collaborative Network of Ontario (ECNO) to overview:

- What online luring and grooming is
- Commonly used tactics that online predators use
- Helpful tips to stay safe
- How to report if necessary

Info sheet: [https://ecno.org/wp-content/uploads/2023/09/ECNO-CAM-Calendar-23-Aug3023\\_GroomingLuring.pdf](https://ecno.org/wp-content/uploads/2023/09/ECNO-CAM-Calendar-23-Aug3023_GroomingLuring.pdf)

## **Foster families needed in your community!**

Children in our community need you! We have an urgent need for foster homes in Simcoe Muskoka. We are looking for diverse foster care providers who understand children's needs. Our needs are diverse and range from babies to teens. Open your home to a child/youth and receive training, support, and between \$85 and \$155 per child and per day. Do you know anyone who may be interested? Visit <https://familyconnexions.ca/fosterconnexions/> to inquire, apply, and for more information. You may also call 705-726-6587 ext. 4.

*Information provided by Simcoe Muskoka Family Connexions.*

## **Stay healthy this school year**

COVID and other respiratory infections can spread easily from person to person. These germs can spread quickly when someone coughs or sneezes directly on another person, or when germs land on hard surfaces like doorknobs, desks, and keyboards and then are touched by someone else. These germs can then enter the body through the eyes, nose, or mouth.

The most important thing you can do to keep from getting sick and stop the spread of germs is wash your hands. Wash with soap and warm running water for at least 15 seconds (or try singing Happy Birthday twice). If your hands are not visibly dirty you can use alcohol-based hand sanitizer for 15 seconds. Also, make sure you are up to date with your immunizations, cover coughs and sneezes, and stay home if you are sick. Teach your kids to do the same!

For more tips to keep you and your family healthy this school year, contact Health Connection at 1-877-721-7520 or visit [www.simcoemuskokahealth.org](http://www.simcoemuskokahealth.org).

## **The teenage brain**

Did you know that the teen brain is still developing until about the age of 25? The part of the brain that powers a teen's ability to think, plan, solve problems, make decisions, and control emotions is one of the last parts to mature. This may help explain certain teenage behaviour.

Because their brains are still developing, young people are at greater risk from the harmful effects of alcohol, cannabis, and other drugs.

Stay connected, keep talking with your teen, and be a good role model.

For more information, visit the health unit's website at [www.simcoemuskokahealth.org](http://www.simcoemuskokahealth.org) or call Health Connection at 705-721-7520 or 1-877-721-7520.

## **Register your child for the YMCA's Escape in the Landscape program**

Register your child for an outdoor education experience like no other. The YMCA of Simcoe Muskoka's Escape in the Landscape program offers nature immersion activities led by qualified staff for children ages 4-12. Through experimentation, peer-to-peer learning, and storytelling, your child will be encouraged to discover new experiences and skills, all while making lasting friendships and developing a love of the great outdoors.

During this memorable program, your child will:

- Learn about the land and how to be environmental caretakers.
- Connect with nature and build self-confidence.
- Improve their mental and physical health.
- Be curious, resilient, and motivated to make a difference.

The program runs for eight weeks from March to April 2024 and is offered in Alliston, Innisfil, Midland, Wasaga Beach, and Barrie.

Cost:

Ages 4-6: \$125.00

Ages 7-12: \$175.00

For more information and to register, visit <https://ymcaofsimcoemuskoka.ca/escape-in-the-landscape/>.
